Position summary

Specialising in Aboriginal and Torres Strait Islander health, this role offers the opportunity to use a diverse range of skills and knowledge. With high presentations of chronic illness, Medical Officers (GPs) need to be both sensitive and understanding, supporting patients from Cape York, NPA and the Torres Strait region to come in for treatment and receive ongoing services as needed. The role includes working within a team of GPs, Registered Nurses, Nurse Practitioners, Aboriginal Health Practitioners/ Workers, Midwives, Allied Health professionals, visiting Medical Specialists and Administration staff.

Environment

Mookai Rosie Bi-Bayan (Mookai Rosie) is an Aboriginal Community Controlled Health Service, offering integrated and co-located primary care services to clients of Cape York, NPA and the Torres Strait region. This position is situated within Mookai Rosie's Earlvile clinic (Mookai Family Health) and plays a pivotal role in the multidisciplinary health team and provision of our wrap-around model of care. The team is comprised of Aboriginal and Torres Strait Islander Health Workers and Practitioners, Midwives, Nurses, a Social and Emotional Wellbeing team, Clinical Educator, Clinical Facilitator and Liaison Officers.

Purpose

This position is responsible for the provision of medical services, health surveillance, maintenance, and promotion to Mookai Rosie clients. This position will provide comprehensive and holistic healthcare to individuals and families that present to our service in accordance with the Mookai Rosie strategic, governance and accreditation frameworks. This includes care coordination and referrals.

Scope

The position provides support within Mookai Rosie's service model by addressing the health needs of individuals and families engaging with our health programs. Significant liaison and coordination

with multidisciplinary teams is required, as is maintaining regular contact with internal and external health professionals, service providers and other stakeholders to ensure effective outcomes for clients.
