

CHILD AND YOUTH RISK MANAGEMENT STRATEGY

Communication and Support Strategy Statement

Mookai Rosie Bi-Bayan is committed to providing services to children and young people to meet their development and health needs. We also recognise the need to provide protective measures addressing their safety needs whilst supporting their life aspirations and cultural needs.

We recognise that Strategies such as this are more effective when awareness is high and intent of the actions are understood and adopted organisation-wide. Therefore, Mookai Rosie Bi-Bayan will:

- Discuss the strategy and other child-related topics at each All Staff meeting
- Provide a copy of the Statement of Commitment to parents who access our services, with staff members available to explain or clarify its content
- Display copies of the Statement of Commitment on walls at key points throughout our premises
- Make reference to our strategy on our website and other electronic media, such as email signatures
- Give staff access to the relevant documents of our Child and Youth Risk Management Strategy so that they can ask questions to develop their understanding of and commitment to the strategy

If any interested party has questions regarding this Strategy, please contact the Mookai Rosie Bi-Bayan Social and Emotional Wellbeing Team or the Child Protection Advocate by phone – 07 40817500 – or see our website for more details.
