

OUR STRATEGIC DIRECTION

2026 – 2031

OUR VISION

Healing, Our Way, in Our Home

OUR PURPOSE

Improving access to wholistic culturally led health care that grows and adapts with our peoples and communities

1. Culturally Led Care

Providing quality, culturally-led care in our home for remote families

2. Community Connections

To grow and strengthen trusted and effective partnerships with our clients, partners and communities

3. Sustaining our Future

Building sustainable impact through strong governance, culture and systems

OUR VALUES

Respect

Compassion

Courage
